Dear Bella,

Congratulations! I am delighted to offer you admission to the Masters Program in Computer Science at the University of Chicago for the **Autumn Quarter 2026**. You have been admitted to the **12-Course MPCS Specialization Program**. Your specialization is **High Performance Computing**.

The admissions committee was truly impressed by the strength of your application. Your academic background, experiences, and achievements distinguished you among a highly competitive pool of applicants. We are confident that you will make meaningful contributions to the MPCS community and that the program will support you in achieving your academic and professional goals.

To recognize outstanding incoming students, MPCS offers a limited number of merit-based, partial-tuition scholarships through a competitive application process. Given the strength of your application, we strongly encourage you to apply for this opportunity. Scholarship recipients are selected based on academic excellence, clearly articulated career goals that align with the MPCS curriculum, and demonstrated potential to contribute positively to the MPCS academic community.

To be considered, please submit the **MPCS Scholarship Application** no later than **Friday, May 1, 2026, at 11:59 p.m. Central Time.** We encourage you to take advantage of this opportunity and look forward to reviewing your materials.

To accept or decline this offer of admission, please view our admissions **Terms and Conditions** and complete the **Reply to Offer of Admission Form** by **May 15, 2026**. If you accept our offer of admission, a non-refundable deposit of $3,000.00 will be required to hold your space. The deposit will be applied in full to your first tuition bill once you are registered for classes at the University of Chicago.

I hope you will accept our offer of admission to the Masters Program in Computer Science. As a student in MPCS, you will join a diverse and distinguished intellectual community and enjoy the many benefits of academic life at the University of Chicago.

Please contact mpcs-admissions@lists.uchicago.edu with any questions.

THE UNIVERSITY OF CHICAGO | Division of the Physical Sciences

Sincerely,

John H. Reppy
Professor of Computer Science
Director, Masters Program in Computer Science

Tuition and fees for 2025-2026 can be found on the Bursar's website: https://bursar.uchicago.edu/tuition-and-fees/tuition-and-fees-2025-26/tuition-and-fees-2025-26-physical-sciences-division. Tuition and fees for 2026-2027 will be announced in June 2026 and can be expected to increase 3-7% each year. If degree completion for your program requires enrollment in four or more quarters, a tuition increase should be anticipated at the start of each summer quarter.

Information on the complete cost of attendance can be found on the Graduate Financial Aid website: https://financialaid.uchicago.edu/graduate/costs/cost-attendance
